

## ***Judge Advocate to Law Firm—What You Need to Know***

### ***REGISTRATION IS OPEN!***

Please join JAA for a discussion with a panel including former Judge Advocates who practice in the law firm setting followed by a presentation from Legal Innovators. This **no-cost virtual program** will be on 20 March 2024, from 1200 to 1330 on Zoom (Eastern Standard Time).

First an esteemed panel will discuss the experience of transitioning from being a judge advocate to practicing in a law firm. Topics will include how to sell your experience, how to evaluate job offers, what expectations will be, and how to prepare for business development down the road. Following the panel will be an introduction to Legal Innovators including a judge advocate who has been hired through their program.

Learn about an innovative end-to-end legal talent management solution for law firms and corporate legal departments, changing the way the law approaches hiring, pricing, inclusion, and diversity of junior legal talent.
